Pines is a 55+ independent senior living community located in South Burlington, VT. The Pines offers residents an affordable living option for the next phase in their life. Residents enjoy getting to know their neighbors and being a part of the community through monthly catered meals and parties, daily activities, and more. Maintenance-free living, and other supportive services let residents age gracefully, while staying independent. Everything at the Pines is optional, so the price too can fit your personal budget and allow you to determine what you need every step of the way.

Built in 1995, the Pines was designed to look and feel like a traditional New England inn. Situated just off Dorset Street on 5 ½ acres in the heart of South Burlington, the Pines is just a short distance from grocery stores, the airport, hospital, fire department, interstate, and more. The Green Mountain Dining Room is located at the Juniper House, where residents enjoy community meals, monthly parties, and resident activities. The common living room has a cozy gas fireplace and lots of room for puzzles and games. The screened in porch and library also make for nice gathering spaces. Garden plots are available free of charge on a first-come first-serve basis.

One or two-bedroom apartments include an open floor plan with kitchen, living/dining room, and spacious bathroom. The kitchens are equipped with white or clean steel GE appliances: 4-burner stove, refrigerator, and dishwasher. Other features include maple cabinets, breakfast bar (some units), and individually controlled heat. Laundry machines are available on each floor, as well as storage lockers and air conditioning for an additional fee. Optional upgrades include tub-to-shower conversion, microwave over the stove, new lighting, new counters, new appliances.

QUICK FACTS

WHAT IS PINES: Pines is a senior living community designed for independently living seniors age 55+. The neighborhood consists of two residential buildings (the Juniper House and the Balsam House built in 1995) totaling 185 apartments.

LOCATION: Situated on Aspen Drive in South Burlington, Vermont, it is located near the University Mall and Fletcher Allen Health Center. Pines offers convenient and easy access to downtown shopping, services and all the amenities available in the greater Burlington, Vermont area.

OPTIONAL HEALTH & LIVING SERVICES: It is our goal for all residents at Pines to remain completely independent as they age gracefully. However, we understand that sometimes things don't always come as easily as they used to. That is why we offer an array of optional services to assist residents with living independently. These include on-site beauty salon, housekeeping, and fitness studio. Low cost membership in Pines Peak Wellness Club entitles residents to an individually designed wellness plan, a monthly wellness luncheon, and discounts on optional services. See [Optional Health and Living Services Pricing Information](#) attached.

APARTMENTS: All apartments are one and two bedrooms, with complete kitchens, a bathroom, and living/dining room. The kitchens are equipped with maple cabinets and white or Clean Steel GE appliances: 4 burner stove, refrigerator, dishwasher, and some have microwaves. Each apartment has neutral colored carpeting, a sprinkler system and hardwired smoke detectors. Some have bath tubs, while others have shower stalls. There is no smoking and pets are not permitted.

RENT: The apartments are rental units; residents sign a one year lease. Rent includes heat, electricity, water/sewer, trash/recycling, and routine maintenance/upkeep. Pines requires a reservation deposit equal to one month's rent to hold the unit. This deposit becomes the resident security deposit upon occupying the apartment. See [Rent & Income Limits](#) for specific rental pricing info.

CABLE/TELEPHONE/INTERNET: Residents are responsible for their telephone, cable, and internet expenses. Discounted cable and telephone service is offered exclusively to residents at the Pines and offers a discount of over 30% compared to other providers. Cable hook-ups are installed in the living room and in each bedroom. Wireless internet is available through an outside service provider.

LAUNDRY/PARKING/STORAGE/TRASH: Outdoor parking is available on a first-come first-serve basis as well as covered indoor garage spaces. Pines has conveniently located coin-operated laundry facilities on every floor, as well as trash rooms for easy trash removal. Storage lockers are available for a monthly fee. Air conditioners can be rented during the summer months.

AFFORDABILITY: If an apartment is designated as AFFORDABLE, that apartment can only be rented to a resident who meets the income limitations that are set by the Federal Government. There are three different levels of affordability at Pines- *Level I*, *Level II*, and *Level III*. Level I is more affordable, but has a greater limitation on income. Market rate apartments have no limitation on income. See [Rent & Income Limits](#) for more information.
